

# THE LEFT HAND OF DARKNESS

Genly Ai is an emissary from the human galaxy to Winter, a lost, stray world. His mission is to bring the planet back into the fold of an evolving galactic civilization, but to do so he must bridge the gulf between his own culture and prejudices and those that he encounters. On a planet where people are of no gender--or both--this is a broad gulf indeed. The inventiveness and...

## Reader's Opinions

sci-fi fans who are way, way, smarter than I am

I want very desperately to see what others have seen in this book. I reread it this month to find out if I had just missed things on first readings, if my frustrations and disappointments and distance would fade away on a second visit. But no. I remain disappointed. I continue to think that this book tries valiantly at something very...
