Reader's Opinions

I see that some of my friends have been reading the Federalist papers. Herbert Hoover has been much maligned, but he was well educated, and a decent writer. I think this is a must-read for anyone interested in conservative American ideology. His The Challenge to Liberty (1934) is also good, as is his autobiography (especially the first...

This was a great look int to the philosophy of Hoover, and it reminded me of some of the things Reagan said.The writing was amazingly good. It was a joy to read if for nothing else then the masterful way he used words.His section on faith spoke only in general terms, ans I also don't feel that faith was a large enough basis for his...
