

BASTIAT COLLECTION

In two volumes, here is The Bastiat Collection, the main corpus of his writings in English in a restored and elegant translation that includes some of the most powerful defenses of free markets ever written. This restoration project has yielded a collection to treasure. After years of hard work and preparation, we can only report that it is an emotionally thrilling moment to finally offer to the general public. Claude Frédéric Bastiat was an economist and publicist of breathtaking intellectual...

Peek Inside the Book

As soon as the injured classes have recovered their political rights, their first thought is not to abolish plunder (this would suppose them to possess enlightenment, which they cannot have), but to organize against the other classes, and to their own detriment, a system of reprisals as if it was necessary, before the reign of justice arrives, that all should...

One thing is overlooked, which is this: That the kind of dependence that results from exchange, from commercial transactions, is a reciprocal dependence. We cannot be dependent on the foreigner without the foreigner being dependent on us. Now, this is the very essence of society. To break up natural relations is not to place ourselves in a state of independence,...

Reader's Opinions

Anyone wondering if the government has overstepped their bounds.
