

LIKE FALSE MONEY

Can fledgling PI Annie Raymond cut it on her own when faced with an impossible job, a boss who hasn't a clue who she is and a schoolgirl who is ready to blacken her name to save her own skin? Annie has resolved to do her best for grieving mother Martha Martin and keep the sordid details of her son Terry's life hidden,...

Reader's Opinions

This is the book that starts Annie Raymond on her career as a PI although it's the second book I read. The stumbling steps Annie makes in her chosen career shows her steep learning curve as she leaps into action biting off more than she can chew and juggling two cases at the same time. The twists and...

It might be a bit off to give my own book a max review, but I went back to it after a year to see how I'd dealt with a particular character (needed the info for a later book same series). Found what I wanted but then amazed myself by getting caught up in the story and reading it to the end, even though I knew what was going to happen....
