

STITCHED: A MEMOIR

Self-mutilation is an addiction that affects millions of people. Not everyone can understand its power and control, but Marissa does. A cutter for more than seven years, she had to hit rock bottom before she could claw her way back up. In this unique autobiography, Marissa takes you into the mind and soul of a...

Reader's Opinions

Stitched is a memoir of self-mutilation, specifically cutting. It is presented in the form of journal entries with extra sections of further explanation, and occasional poems. This memoir deals with struggling for self-control, friendship, trust,...

keep forgetting i finished this one too. the writing was so paltry that i couldn't get into it - couldn't care about her or anyone else. this is of course, super hard for me to deal with, but really. i am glad there are more memoirs about self-injury out there, but can we please get some with quality writing out there??
