

HAPPINESS FOR BEGINNERS

A year after getting divorced, Helen Carpenter, thirty-two, lets her annoying, ten years younger brother talk her into signing up for a wilderness survival course. It's supposed to be a chance for her to pull herself together again, but when she discovers that her brother's even-more-annoying best friend is also coming on the trip, she can't imagine how it will be anything other than a disaster. Thus begins the strangest adventure...

Reader's Opinions

Posted on Life Between ReadsThe best books are the ones that completely exceed your expectations. You know, the ones where you have an opinion or assumption formed before you even read the first page, only to have those opinions or assumptions completely blown out of the water? Thats what happened...
