Reader's Opinions

Good Ol' Lewis and Clark. A historical fiction about 12 individuals that embarked on this grand "discovery". Another interesting fun fact, the majority of the novel is written in poetry. Each character was a real person (or dog) so that made it feel pretty...

Historically accurate and interesting. Wolf obviously did his research well and masterfully brought these historical figures to light. It was a long journey to the Pacific (and a long read) but I wish Wolf would have spent a bit more time going over what happened to their company on the return journey and after returning back to the...
