Reader's Opinions

This is, hands down, the most Bee-zar book I've ever read. I was in India and took *A Map of the World* with me, and read it in short order. At one of the Haveli's, tourists had left a stack of paperbacks on a shelf (take one, leave one style) and because I had a 12hr overnight bus ride looming, I needed additional reading. I chose this...

This novel is a book that I picked up by chance in a dusty library in Soho, New York. It was a moment out of a cheesy movie where a book falls out from the top shelf and hits the protagonist on the head. That is exactly what happened to me. After I got over the shock of being hit, I sat down and started to read the book. Galax-Arena...
