

PRESIMETRICS: WHAT THE FACTS TELL US ABOUT HOW THE PRESIDENTS MEASURE UP ON THE ISSUES WE CARE ABOUT

The authors cut through party bias to present the quantifiable facts about how modern presidents have performed on critical national issues. Politicians and the media spend a lot of time telling Americans how the presidents and their administrations are performing, but this analysis always skews along...

Reader's Opinions

Very interesting but not especially readable. And its tongue-in-cheek writing style quickly went out of control and its uneven use definitely showed implied prejudices. That said, I'd love to see the...

An interesting look at the "numbers" for Presidents from Eisenhower to G.W. Bush. The numbers are of course a correlation, not necessarily a cause and effect, but they are surprising.
