## Reader's Opinions

As I finish the second tetralogy's finale, King Henry V , I contemplate Shakespeare's effect on the presentation of history. He devotes nearly half of his theatrical contributions to stories plotted in reality rather than born of his imagination. I have argued before that Shakespeare, blessed with a genius' perspective, sees art not...

Following on the heels of Much Ado we can see that Shakespeare's powers are at their zenith during this time period. I love Henry V and have read it several times out loud to the children and we have watched several versions. It is also a wonderful play for boys who...
