

DERRICK

"Neither human nor animal, but something in between, Circe's Recruits stop rogues bent on killing..."In the three years since Project Dawn disbanded, Derrick continues to fight the good fight. Now civilians, his squad--Circe's Recruits--works for a private organization bent on cleaning up the mess left in the wake of Project Dawn's rebirth. Pearson Labs continues to create Circs, people who have been genetically changed. When needed, these Circs take on an altered form, one neither man nor animal, but something in between. But unlike the...

Reader's Opinions

I really, really enjoyed Derrick. It's been some time since I'd read the 1st two in this series, but this one brought it all back to life. This series is about military types being made into super soldiers with super powers & shifting. Something goes wrong with the science and only our 5 intrepid circs survive with their sanity intact....
