

THE APPLE ORCHARD

Tess Delaney makes a living restoring stolen treasures to their rightful owners. People like Annelise Winther, who refuses to sell her long-gone mother's beloved necklace—despite Tess's advice. To Annelise, the jewel's value is in its memories. But Tess's own history is filled with gaps: a father she never met, a mother...

Reader's Opinions

I started reading the books of Susan Wiggs when she was writing historical romance, and she remained an autobuy author for me when she moved to novels that are a hybrid of womens fiction and contemporary romance. One of the things I have always loved about...

THE APPLE ORCHARD is the first book I've read by Susan Wiggs, and wow, was I blown away. Part mystery, romance, and family drama, this story takes readers from the quaint town of Archangel, California, in present day, to Nazi-occupied Denmark during World War II. I love historical fiction and vintage things, so this book really hit...
