Peek Inside the Book

People like me really shouldnt be allowed to build a people house until weve managed to build a bird house that isnt immediately condemned as uninhabitable by the avian building department. Robert Kroese, The Force is Middling in this One //

Reader's Opinions

They say the Kurt Cobain was a voice of a Generation. I beg to differ. You need to take a look at The Force is Middling by Robert Kroese. The book was funny, insightful and referenced part of the most important film of my generation "Star Wars." Recommend to anyone who has seen the films and lived through the 80's and 90's and today....
