## Reader's Opinions

Ok! will have to read more to give a decent review. There's just not enough here to judge the comic book series on. hope it's not too cheesy.

This book was a free recommendation. I figured, "what the heck". It's short, comic book length, and provided some mindless entertainment between novels. It was so ridiculous that i had to love it.a) it's freeb) it's a comic bookc) the name alone promises entertainment.I can't help but recommend this free ebook. It only took a couple...
